Subject: Development of PII Policy and Assessment of PII Handling

Dear [sender],

We understand that personally identifiable information (PII) is extremely sensitive information and should be handled with the utmost care and precision. We are committed to strengthening the PII policies and practices to allow you to establish and maintain the trust and confidence of users.

Development of PII Policy:

In developing a comprehensive PII policy that addresses the governance of existing PII within the system, the policy will cover key topics such as:

1. PII Handling:
Clear guidelines on the proper management and usage of PII data.
2. Data Gathering:
Protocols for the appropriate collection of PII, ensuring compliance with privacy standards.
3. Data Transmission:
Secure methods for transmitting PII both within and outside the network, prioritizing data integrity and confidentiality.
4. Security Measures:
Inclusion of security measures to safeguard PII from unauthorized access or breaches.
5. User Consent:
Clear procedures for obtaining and managing user consent related to the collection and use of PII.
6. Data Retention:
Guidelines on the retention period of PII and procedures for secure data disposal when necessary.

Assessment Report on PII Handling

Our team will perform a concise assessment of current resources of PII, their storage, methods, and propose changes to enhance their security. The report will cover:

1. Sources of PII:

Identification of all sources of PII our systems, including user accounts, forms, and other data collection points.

2. Current Storage Practices:

Analysis of how PII is currently stored, including databases, file systems, or any other repositories.

3. Proposed Changes for Security

Recommendations for enhancing the security of stored PII, including encryption measures, access control, and monitoring systems.

We have identified this matter as urgent and aim to provide you with the comprehensive PII policy and assessment report by [deadline]. If any specific considerations or requirements arise, please feel free to let us know.

Thank you.

Sincerely,
